

PRIVATE TREATMENT FEE GUIDE

The following prices can be delivered with a **20% discount** through membership of our dental plan.

Premium White Fillings

From £90 (price can increase depending on complexity)

Cosmetic Dentures

From £380 per denture (these bespoke dentures use premium laboratories and can deliver better cosmetic alternatives to NHS)

Premium Veneers & Metal-free Crowns (ceramic) **£580** per tooth (these all-ceramic crowns and veneers provide the best 'close to nature' cosmetic option for patients wanting the best of modern dentistry)

Bridges

Are Priced bespoke to our patient's individual requirement

Endodontic Care (Root Canal Treatment)

Completed with operating Microscope (Dr Cochrane)

From £320 depending on the tooth and complexity of the tooth's needs.

Tooth Whitening

£285 for whole mouth (using only the best and safest whitening bleach)

Periodontal Treatment – Postgraduate Level Care provided by Dr Sharkey who is completing her Clinical MSc in Periodontology.

Non surgical Periodontal care from **£230**
Surgical Periodontal care is priced bespoke to the patients needs

Implant-retained crowns and bridges are available at this practice so please feel free to discuss any questions you may have with the dentists for these bespoke treatment options.
